Ladies Of The Cloth!!!

HAPPY VALENTINE'S DAY LADIES! In the 50 years of my parent's marriage, my Dad ALWAYS arrived on Valentine's Day with a HUGE 'Russell Stover' box of chocolates for my Mom! Even the last month of his life, a Valentine box showed up for Mom. As kids, we couldn't wait to see how big and beautiful the heart-shaped box was! Would it be red or pink this year, and did it really matter?! OHHHH! to select the right, crinkle-wrapped, square of sweet, chocolate delicacies was such a treat! We 5 kids all had our favorites, and yes, there were some squabbles over who got the favored-few chocolates! It is true, in the famous words of Forest Gump, "Life is like a box of chocolates, you never know what you're going to get!" It kind of reminds me of a scrap quilt----the end results can certainly surprise us! Is it (the quilt) sweet? delicious? favored? Does it matter?...it's a 'scrap quilt'! And you've saved money already spent!

Now that 1 'Valentine' year has gone by since I was handed the gavel (rotary cutter) as your Silver Needles President, I truly never anticipated how much fun I would have serving this position that NO ONE ELSE wanted! You, the Silver Needles members, opened the 'box', and this is what you got! A President who doesn't know the 'Roberts Rule of Order', who still doesn't know everyone's names, and who likely won't get a quilt finished even NEXT YEAR! Never mind finishing the UFO for the 'Challenge'! It just won't happen! What will be finished and completed this year is the 2012 Silver Needles Board and all of the requirements filled. Thank you Board Ladies for all of your dedication to fulfilling your obligations with strong commitment to the purpose of quilting and serving the Silver Needles Quilt Guild. Thank you for continuing to encourage me throughout this year. You all made my job so much easier!!! I am now looking forward to sitting back and enjoying the view from a different chair as Madame President Janda Allred and her 2013 Board continue moving this wonderful Silver Needles Guild on to other opportunities as we continue to honor quilters and beautify our own 'heart-shaped boxes' with sweet treats of QUILTS! May you all have a Happy Valentine's Day, and again, thank you for this opportunity!

THIS IS FINISHED!!!!

Andra Hancock President

COMING UP IN FEBRUARY: (February 18) We will have our installation of officers as well as our quilt show challenge display. Don't forget to bring you completed UFO's and earn your PHD (project happily done).

SNQG member, Bert Kerns, is married to Vern and has 3 sons, 2 daughter in laws, 7 grandchildren; and she is extremely proud of her children! Her favorite food is chocolate. Her favorite summertime activity is to spend 6 to 8 weeks in Canada every year where she reads and quilts. She prefers jewel tone colors, especially red, greens, and blues. Her favorite TV shows are Dancing with the Stars and movies of all kinds. She was born on a farm in Hunter KS and would like to travel to Ohio and New Hampshire to see friends she hasn't seen for many years. Bert would like to create a double wedding ring quilt with all of her scraps. She wants the guild to know that she scrapbooks, sews some of her own clothes, used to decorate cakes and do ballroom/square dancing. Her mother and her friend Ellen both hand quilted and influenced her quilting. She likes to quilt as she pieces, likes the log cabin block and has many UFO's.

SNQG Member, Debbie Breer, is married to Tim and has two children, Andrew and Becky. Her favorite summertime activity is quilting. Purple is her favorite color and she enjoys listening to any TV show that might be on while she is quilting. Debbie was born in Salina, Kansas and would like to travel to England where her son will move to in September. The person who most influenced Debbie's quilting activities was her grandmother and she especially enjoys quilting miniature quilts.

Let's Thank Our President For A Job Well Done!!!

Using a white cotton 8 1/2 inch piece of fabric (so finished size will be 8 inches) appliqué 3 to 5 solid black cotton fabric dots. The dots can be varying sizes and can even be on the edge so that one dot may be cut in half. Use different color thread to zig-zag the dots onto the background - or whatever kind of stitching method you prefer to attach the dots to the background. For example you could put a 2 inch diameter dot zig-zagged on to the white background using purple thread, another dot 1 inch in diameter attached with red thread and another dot 3 inches in diameter stitched on using orange thread - got the idea? Please call Jan-da with questions: 825 6494.
