April 15, 2019- 3rd Monday of Month Program Begins at 7:00 p.m.

April 15, 2019 Program is:
Robin Van Allen
"American Wool Art"

April's guest presenter is Robin Van Allen. Robin is a wool artist. She has established her own cottage company: Walnut Valley Woolens. Robin's love is wool folk art, particularly 19th century motifs. As a wool artist, she has created patterns that reflect her love for Americana and folk art. Walnut Valley Woolens supplies wool and wool thread to other wool artists. She hosts retreats that sometimes bring national wool artists as guests. Robin is a retired kindergarten teacher which may explain how it is that her teaching techniques are clear, concise and understandable. Robin makes a live lesson presentation and "stitch along" from Facebook every Wednesday evening. Friend her, and tune in.

MISSION STATEMENT

The purpose of the Guild shall be to provide an avenue to enrich the community through quilt-making, to stimulate an interest in quilts, to promote and advance the art of quilt-making and related subjects, and to encourage the preservation of quilts and their history.

FROM THE PRESIDENT

Cyndi Morris

Dear Quilting Friends,

Spring is trying to come! Mother Nature is toying with us once again. It's a great time to clean out that sewing room and finish our UFOs. The excitement with the Silver Needles Quilt Guild is that we completed our major UFO last month by filling all our committee positions. A huge thank you to all our members who are serving on the board or as committee members. Also, thanks to all of you who are supporting the guild in other capacities with your suggestions and contributions of community service quilts. There truly is a place for all of us to share our love of quilting with each other and our community.

Oh, my stars! The announcement that this year's challenge quilt category is "Oh My Stars" is thrilling. I have searched through countless star patterns lately. At first, I found myself seeing stars as they all started looking alike. Now I have such a pile of patterns containing gorgeous stars that I hardly know where to begin. So many stars---so little time.

Here's a reminder that this month's speaker is conducting a workshop for guild members prior to her presentation that evening. Hope to see you on April 15th.

Happy Quilting,

Cyndi Morris

March Minutes

Silver Needles Quilt Guild Meeting – 03/18/19

The meeting was called to order by Cyndi Morris, President, at 7:00 PM on March 18, 2019. Guests were introduced, and March birthdays acknowledged.

Refreshments were provided by Karen Sutton, Karleen Burch and Katie Weis. Door prizes were won by Kathryn Perney, Lucie Dibble, Mary Ann Tanking and Terry Weis.

The minutes for the February meeting were approved as printed and the treasurer's report will be filed for audit. The guild members voted to accept the budget for the coming year as presented. A financial audit of the books was conducted by Tara Wagner, Becky Mettlen and Cyndi Morris and everything was found to be in order.

Cyndi Morris read thank-you notes received from Louise Haworth's family and from Rolling Hills Zoo for a donation received in memory of Louise Haworth. She also read a thank-you card received from the Senior Center sewing group for items the guild had donated. Carolyn Urban's husband died recently and Cyndi sent a note of condolence from the guild.

Amy Clark needs items for the newsletter by the first Monday of the month.

JeAnn Soren reported that the Trio this year will be October 12th, instead of the 3rd Saturday in October due to a conflict with the church.

Volunteering for Community Service were Kristy Yenkey and Jody Britt. Becky Mettlen and Amy Clark volunteered to be on the Community Out-Reach committee.

Several members expressed interest in having workshops and Shirley Andrews will check on scheduling a workshop with next month's program by Robin Van Allen featuring wool projects.

Carol Duree announced the challenge project for next February's meeting – "Oh My Stars" The meeting was adjourned for Show and Tell, and a program by Patricia Beaver featuring Aunt Martha and her evil twin.

SILVER NEEDLES QUILT GUILD PROGRAMS 2019-2020

FEBRUARY PROGRAM-CHALLENGE TIME

The Challenge for February 2020 was announced as "Oh My Stars". We have a year to plan and create!

MAY PROGRAM

April 15, 2019 –

May brings us a program from one of our own. Because of the historical expertise of Debbie Devine, Silver Needles members know much more about quilting history and the women whose imagination and skill created the wondrous quilts of yesteryear that continue to inspire generations of quilters.

In May, Debbie will bring her collection of miniature quilts in a trunk show. Some of her quilts were made by women whose names we will recognize as famous in the quilting world. Some are "not-so-famous" but no less inspirational and motivating. If you love miniature quilts, (and who doesn't?) then don't miss Debbie's program in May.

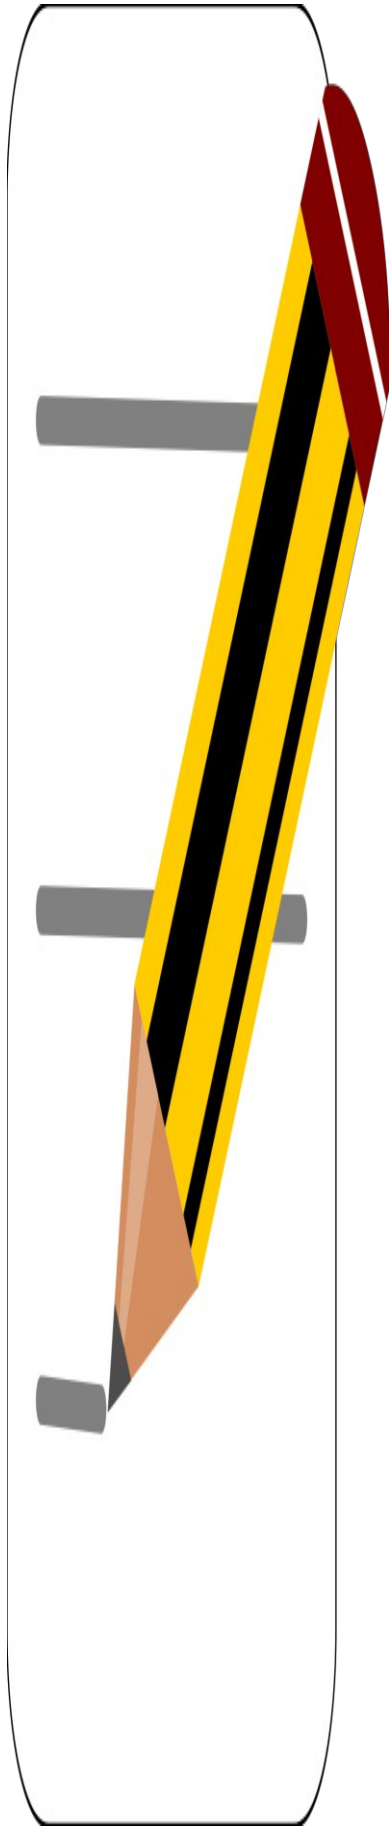

Trio News

Please join SNQG for a Fall Day of fun and excitement, Saturday, October 12th, Redeemer Lutheran Church for the annual TRIO luncheon, quilt show and auction. Together with the involvement of all members, the event will be a huge success.

Edna

Tuesdays and Thursdays 2p-5:30 pm

148 S 11th Street, Salina- Dr. Schewe Sewing Group

They are still going strong. I talked to Dr. Schewe this month, and she greatly appreciates all your donations of fabrics and time to sew.

You can choose to make whatever design you desire. The quilts will go to cancer patients at Tammy Walker Cancer Center. The group has completed 200 quilts as of May. Any fabric donations are appreciated. This is a wonderful thing they are doing. Dr. Schewe has everything there. You just sit down and sew. Please call Dr. Schewe if you have any questions. Her cell is: 493-1195. Thank you.

NEWSLETTER DEADLINE:

I would like to have all items for the newsletter in by the first Monday of each month. This will enable me to get the newsletter out a week before the meeting. I really appreciate all your help in getting the letter together.

Thank you. Amy

2019 DONATING TO:

Clover House

Community Service Quilts

Debbie Breer, Fran Swisher, and Connie Ward

Community Service Quilts (CSQ) Committee

The Community Service Quilt Committee was established at the March meeting. New to the committee this year will be Kristy Yenkey and Jodi Britt. Thank you to these ladies for taking on this roll!

Clover House will be receiving our first batch of quilts. We encourage you to look up this organization at www.clover-house.org. Created by St. Francis Ministries, Clover House is the first program in Kansas that helps adolescence female survivors move from hurt to healing to wholeness. The girls living at Clover House are survivors of Commercial Sexual Exploitation of Children. CSEC is a form of human trafficking that preys on the vulnerabilities of youth through the exchange of anything of value for sexual acts. Without the restorative intervention, survivors of CSEC often face lives of brokenness and addiction, legal problems, and mental health challenges. Clover House works to replace risk with resiliency by addressing the mental, physical, relational, and spiritual healing necessary for youth to move forward in wholeness and strength. Hopefully we will have a representative from Clover House at the April Meeting or perhaps the May meeting to further explain the mission and other ways we might be helpful. We would be happy to have referrals from all of the members of Silver Needles if you are aware of a group in need...give us their contact information and we will rally!!!

PLEASE CONTINUE TO HELP US WITH OUR COMMUNITY SERVICE QUILTS!!

Kits and batting are available for the Community Service Quilts. You may turn in your completed quilts at any time. If you wish to donate any fabrics, let Debbie or Connie know. There are kits available to be given out at guild meetings.

If you have any questions, please contact them at:

Kristy Yenkey 785-825-8996

Jody Britt 785-819-1973

If you would like your quilt tops quilted by a friend of Katie Weis, please provide the batting and backing along with your top.

The backing needs to be four to six inches larger than the quilt.

Please make arrangements with Katie Weis.

Thank you.
