GREETINGS FROM THE PRES,

10 Reasons to Clean your Sewing Room

10. You now need steel toed boots to enter your sewing room.
9. You can't remember the color of the rug - or was it linoleum?
8. You have 3 rotary cutters and you can't find any of them.
7. You husband has roped off the door with yellow caution tape.
6. Your quilt is ready for binding and you know those strips are in the sewing room - somewhere.
5. The fabric you bought to round out a specific project is in the room and you can't finish your quilt until you find it.
4. You can no longer get close enough to your electrical outlets to plug in your iron.
3. Your husband gave you a shirt with a missing button last summer and he'd like to see his shirt sometime THIS summer.
2. Company is coming and you can't close the door anymore to "hide" your stuff.
1. You're going on a shop hop and have to make room for your new fabric.
